Request to withdraw premature Motion to Compel Discovery

Dear Judge Castel:

I have had numerous issues with Moshe Peltz, plaintiff's attorney for the past year. The deadline for his response to the discovery request was January 20, 2020. He sent a response (no documents) at 11:58pm that day. It was 2 minutes before the deadline. I have noticed Peltz repeatedly that I am in the PST zone and am receiving cancer treatments. I can not respond to his immediate email demands. His last email of January 25, 2020, he gave me less than 2 hours to run to a computer to scan the motion to compel discovery and email it to him., otherwise he, "will file a motion for my outrageous behavior". This motion was sent by first class mail at the time of filing. His email requests are outrageous.

In addition, Peltz has blocked my caller ID from all of the phone numbers connected with his law firm. There was a meet and confer phone call of January 24 at 11am PST. I called the four numbers at the time scheduled and for the next 20 minutes. I was not even able to leave a phone message. I was not noticed of Peltz intent on blocking my caller ID. He then said, I did not conform to the "Individual Practice Rule 4(B) and Fed. R. Civ. P. 37(a)(1). I was not able to comply with the rules as Peltz blocked my caller ID.

I request that Peltz conform with the rules of court in serving me paperwork by mail and cease blocking my caller ID when there is a meet and confer phone call. He has been harassing me for over a year and deflecting all attempts to meet and confer.
